Staff's Dedication to Ralph Harvey

The passing of Ralph Harvey, student of Blanco High School and friend of many, brings a feeling of genuine sorrow to all those who had contact with him, but one feels better for having known him.

Ralph was a member of the class of 1969. While attending high school, he was one of the most active Panthers in Blanco. Ralph was an excellent athlete. He lived the game he was playing at all times. He never gave up hope. In his sophomore year, he was on the basketball team that went to the regional tournament in San Marcos. In his junior year, he was end on the football squad that took Blanco to the Regional Championship. Also in his junior year, he served as Vice-President of the Spanish Club. For two summers, Ralph worked in Kerrville with the Lion's Camp for Crippled Children.

In his senior year, which he was unable to attend, he was elected as captain on the football team and as FHA Beau. All of us share the sense of loss, and the memory of Ralph will remain forever in and with our hearts and lives.

Nomination for Outstanding Citizens

MR. AND MRS. MARVIN KNOLL

Mr. and Mrs. Marvin (Dick) Knoll are this year's nomination for outstanding citizens. The staff wanted to honor them because we feel that they help our school attain better educational achievements.

Mr. and Mrs. Knoll have always aided us. They are engaged in all the functions at school, no matter what they are. They prepare food, help decorate, and attend all events giving us moral support.

Mr. Knoll is a member of the Blanco School Board and operates a blacksmith shop. Mrs. Knoll is and has been an officer in the Blanco PTA and is a homemaker. They have three boys—Edward, a senior; Dwight, a freshman; and Harold, in the eighth grade.

It is our pleasure that we can honor these citizens in our way. We hope that more people will follow their example.

Happiness Is . . .

HAPPINESS IS . . . different things to different people. We all have our special something that makes us happy and feel like we are proud to be living.

To a young person, it may be being a part of a group, having a date, a new car, catching a quick coke between classes, a new boy or girl friend, or the joy of knowing that learning can be fun. To the older, it may be the young, the feeling of accomplishment, or the joy of doing for others. Happiness can be many different things.

In the PANTHER, on each division page, a part of the happiness at Blanco High is shown. Portraying this part of happiness is a follow-up of pictures and activities showing how this happiness was achieved.

We, the annual staff, hope that after looking through the PANTHER, you will see what happiness in Blanco High is all about.

Superintendent of Blanco Schools

TO THE STUDENTS AND PATRONS OF BLANCO:

To the staff and sponsor of the PANTHER, I would like to express my congratulations for publishing an outstanding annual.

The successes we enjoy at the Blanco School are joint products of the community, faculty, and student body. Working together we can make our school system second to none.

This word to the Senior Class: I hope that each of you has adopted a set of values that will enable you to conquer the challenges of life that lie ahead. Give of yourself with confidence and sincerity, but not for mere praise or recognition but for the greater satisfaction of knowing that you did your best.

Sincerely,

Lester C. Cobb

Lester C. Cobb

High School Principal

TO THE STUDENTS:

At the end of this school year, it is my sincere hope that each of you have feelings of accomplishment and achievement. For if you do, you have surely put forth efforts to attain your best.

It is also my wish that you have set goals that will be a challenge to you. If you have, you will be an asset to your acquaintances, your community, and your country.

Sincerely,

Lyle N. Edge

Lyle N. Edge

Elementary Principal

TO THE STUDENTS:

In this day and age in which we live, we tend to lose sight of the deeper values of life. There is such a frantic search for pleasure and profit that the very foundations of these are overlooked. True friendship, honesty, SINCERITY, and patience plus concentrated endeavor will attain all the pleasure and profit available.

A headlong rush seeking short cuts will gain temporary benefits, but will reap ultimate dissatisfaction. For you students leaving us now, I can only say, "God speed." May the past hold many pleasant memories that you will renew from time to time, and may the future hold bright and endless success.

Sincerely,

E. L. Hopson

Los Perezosos Reach the Tropic of Cancer

Los Perezosos, or the Lazy Ones, is a good title for the Spanish Club when it comes to homework, but the trip to Monterrey over the Easter Holidays encouraged much hard work such as: selling Halloween candy, a bake sale, car washes, and a dance.

The eighteen students and six chaperones toured modern Monterrey, historic Saltillo, the Garcia Caves, primitive Huasteca Canyon, various Cathedrals and Missions, and the Bishop's Palace where General Zachary Taylor's troops were quartered and where Pancho Villa guarded the captured city of Monterrey. They saw the henaoquin fields and factories of the Tropic of Cancer region and the colorful Horse Tail Falls. They also visited a sarape factory and, of course, the various souvenir shops.

Junior-Senior Banquet

& Prom

On April 19, 1969, the Juniors took the Seniors on a trip to an enchanted evening by way of the "Stairway to the Stars."

A delicious meal was served by the customary Freshmen and Sophomore servers. The servers were Linda Tatum, Mickey Smith, Kristin Gloss, Charles Price, Dwight Knoll, Tom Murrah, Debbie Goehman, Pam Gourley, Darnell Schaenhorst, Sherman Johnson, and Buster Wagenfehr.

The meal was followed by the reading of the Wills and the Prophecies. The guest speaker for the event was Joel R. Harvey.

The Sobriety Band from San Antonio furnished the entertaining music for the evening.

Senior Day

On May 16, a very wet Friday, twenty smiling senior students loaded on Mr. Smitherman's bus and headed for San Antonio. We were accompanied by Mr. Smitherman, our class sponsor, and Mr. Edge, our principal, on Senior day.

We spent a very enjoyable morning, bowling. We found we had some really good bowlers among us, and we also had Wanda.

The afternoon we spent at Brakenridge Park. We were disappointed that we were unable to ride motorcycles.

Our disappointment was soon forgotten as we played miniature golf and rode the go-carts, even though it was without shoes.

We stopped at the Dairy Queen for hamburgers, cokes, sundaes, and other good eats and drinks before we headed home from a fun-filled day.

SENIOR TRIP

At midnight, after our May 27 graduation, sixteen eager youths set out for New Orleans, Louisiana. The sixteen included thirteen graduates and three chaperones. Our chaperones were Cora Bindaril, Elizabeth Burkhardt, and Melba Wagner.

We arrived at Sugar Bowl Courts, tired, but glad to be together after a separation due to car trouble. We enjoyed swimming at the courts (some people got in the pool who didn't intend to swim, but received a little persuasion).

Thursday evening was the highlight of the trip; we went to Bourbon Street. We visited several night clubs, but enjoyed most "Your Father's Mustache" where we enjoyed a friendly atmosphere with sing-alongs. Melba and Eddie joined in a familiar simple contest while at Y.F.M.

Friday some of us went to a movie and some went shopping. Friday night we started home after a very exciting and pleasant

Senior Trip.

1968-69 Valedictorian

Bobby Beckman

Bobby moved to Blanco during the summer preceeding his 8th grade year. He attended school in Johnson City for the first seven years.

Bobby was an active member of the Spanish club during his Sophomore and Junior years and an honorary member during his Senior year.

Bobby participated in the University Interscholastic League spelling competition at Buda when he was a Junior.

In the Methodist church, Bobby is an active member in the Methodist Youth Fellowship organization.

Mr. A. C. Beckman, Bobby's father, is a farmer-rancher. His mother is a homemaker.

In his travels through Colorado, New Mexico, and Oklahoma, he became interested in the science of outdoor phenomena. This led him to make plans to pursue a career in meteorology at the University of Texas at Austin this fall.

We congratulate Bobby, and wish him much success in the future.

1968-69 Salutatorian

Margaret Webb

During Margaret's high school years, she participated in band, basketball, Spanish club, and annual staff. In her Junior year, she was majorette and as 1st chair clarinetist she was named to the All-District and All-Regional bands. At the Fairyland Festival of 1967, she was class duchess.

Margaret moved to Blanco at the end of the 2nd grade. She and her family then moved to Fort Greeley, Alaska, where her father was stationed in the army. After one year she returned and finished her school days in Blanco.

During her father's career in the service, she has traveled through many of the western states, Canada, and Mexico.

In May of 1969, her father, M/Sgt. D.E. Webb, will retire and plans to go into insurance adjusting. Her mother, a homemaker, has two other children, John—her older brother—and Allida—her younger sister. Her family attends Blanco Church of Christ.

Besides her school activities Margaret enjoys boating, reading and music. She is the Lion's Club's contestant at the District Convention in Austin. We wish her every success.

Upon graduation, Margaret plans to live and work as office help in San Antonio. In September, she intends to enter Southwest Texas University in San Marcos to study in the field of business.

Each year the four students with the highest yearly grade averages are recognized as the students who have obtained the greatest scholastic achievement. We respectfully offer these students our congratulations for their fine work. We feel sure they will continue putting forth their greatest effort in the future.

The eighth grade students who had the highest averages for this year were Connie Edwards, Martha Bates, Blye Engel and Nelson Smith. We are proud of these students, and anticipate a continuance of their succession in their future high school years.

Homecoming

Homecoming for the 1968 season was truly a thrilling event. We differed our agenda this year by having all our spirit-inspiring activities on Friday afternoon and evening. The activities began with the street parade, pep rally and bon-fire.

The highlights of the evening included the acknowledgement of Miss Jacque Dechert—Senior cheerleader—as the Football Sweetheart, and Mr. Edward Knoll—Senior guard and co-captain—as Pep Squad Beau. Mr. Stanley Edmondson—Senior drum major—and Miss Mary Jo Fuchs—Senior majorette—were named Mr. and Miss Blanco Panther Band. The pep squad assisted the band in making the half-time show a truly outstanding performance.

The game ended 42-0, with the Panthers victorious over the Comfort Bobcats. The evening ended with the Homecoming Dance, given to the team by the Pep Squad.

Developing Literary Ability—Important for College

I wonder if this book is on Mrs. Miller's reading list.

Senior boys show hope for peace in action as well as in thought.

"Hillbilly Weddin"—Juniors First Attempt at Acting

"Hillbilly Weddin," involves a lazy varmint, Paw Belanickle, who is posed with the problem of getting the ugliest gal in the hills married off so that her younger sisters will have a clear path. Paw is determined to do it the easy way—with a shotgun. A likely dude, Ronald Maxwell, sees almost all of a shotgun wedding from the wrong end of a gun. However, all is not lost: a neighbor boy named Obey saves the day for Ronald and marries Cele, that is if she will give up having rattlesnakes for pets.
