## Dedication to Time Honored Teacher

*Mrs. Thelma Houck*

The PANTHER Staff is proud to dedicate our 1970 publication to Mrs. Houck. She has given the children of Blanco two things—her friendship and the beginning of an education. The whole community of Blanco respects and values Mrs. Houck for her endeavor to educate them.

Mrs. Houck began teaching in Bremond, Texas in Robertson County in 1934-35. After one year of service, she taught in Campbellton in Atascosa County for two years. In 1937, Mrs. Houck began teaching in Blanco. She now has 31 years of service in Blanco.

Mrs. Houck (Miss Thelma Covington) married in 1942 to Mr. Jimmy Houck. Mr. Houck became publisher of the Blanco County News in 1946 and is still continuing his service to the community.

Mrs. Houck is now teaching the second grade. She will be teaching the grandchildren of some of her first students in the near future. She has served us well and is continuing to do so. Her devotion is steadfast and has been captured in the hearts of her many students.

It is with great pleasure that the PANTHER Staff can dedicate the publication to Mrs. Houck. More dedicated people like Mrs. Houck will make more people become better Americans who will endeavor to make themselves greater.

## Nomination for Outstanding Citizens

*Mr. and Mrs. Ben West*

The 1970 Annual Staff is proud to honor Mr. and Mrs. Ben West as its outstanding citizens. We feel that Brother Ben and Sister Majorie are two of the most loved citizens in our community.

Mrs. West comes from Newark, a small town in northwest Texas. Her maiden name was Hollman. She and Brother Ben were married in Newark in 1933. She is presently a teacher of the ladies' class at the Blanco Church of Christ.

Brother Ben was born in 1885 in the McKinney Community, a small settlement five miles west of Blanco. The McKinney Community was a school and church established by a group of families who came from Illinois in the 1850's. The Wests, Smiths, Lawsons, and Moores were part of this 15 family community.

In 1904, Brother Ben became a Church of Christ preacher. He was the first located minister for the Church of Christ in Houston. He has preached in numerous towns in Texas. Among these are Weatherford, Fort Worth, Johnson City, and also in Shreveport, Louisiana. He has preached in Blanco at different times and is still continuing his service in many ways.

It is indeed an honor for the staff to say a continuing "Thank You" to Brother Ben and Sister Majorie for their devotion to and love for the citizens of Blanco. On Brother Ben's afternoon walks, he makes friends and is a source of inspiration to both young and old.

We hope everyone can learn from this couple what true love for your fellowmen is, loyalty to all, and complacent peace really are.

## Time, Time, Time, Time

Time is our dearest friend; time is our deadliest enemy. Time is what we look forward to; time is what we fight.

In the Old Testament in Ecclesiastes, time is the major topic:

ECCLESIASTES 3:1-8

To every thing there is a season,  
A time to every purpose under the heaven.

A time to be born, and a time to die;  
A time to plant, and a time to pluck  
that which is planted.

A time to kill, and a time to heal;  
A time to break down, and a time to  
build up.

A time to weep, and a time to laugh;  
A time to mourn, and a time to dance.

A time to cast away stones, and a time  
to gather stones together;  
A time to embrace, and a time to refrain  
from embracing.

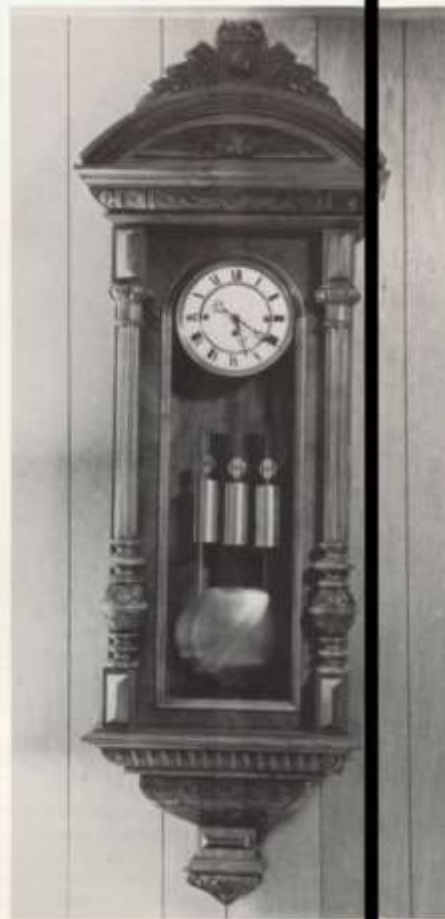

A time to get, and a time to lose;  
A time to keep silence, and a time to  
speak.

A time to love, and a time to hate;  
A time of war, and a time of peace.

Our annual theme is based upon its conception of time. Every-  
thing we accomplish, we have tried at a certain time.

Pictured on each division page, an antique clock is presented show-  
ing time marching on by means of the swinging of its pendulum.

### TO THE STUDENTS:

In sports, every game is a challenge; every man has a job to do.

School is a challenge we must meet every day. If we have the proper frame of mind, we can conquer it. If we have pride in our school we can conquer it.

Life is a challenge we must face when the time comes. We must meet life head on; we cannot run from life.

## Pep Squad Shows a Time for Spirit

The pep squad consists of spirited girls from the seventh through the twelfth grades who have an active interest in the Blanco Panther Football team and do their share in representing their school with pride and showing our team that someone is definitely behind them.

Other than being present at every football game and pep rally with spirit and enthusiasm, the pep squad sponsored a spirit stick competition among the four high school classes and the individual members of the football team. The spirit sticks were presented at each pep rally. The classes competed by making two signs each and were judged each week by teachers on the basis of originality and spirit shown. The pep squad was also responsible for decorating the halls each Friday, painting a sign for the team to run through, and for making the flowers which complemented halftime activities for Homecoming. The pep squad officers are Pam Gourley—President, Betty Upshaw—Vice-Pres., Jan Gourley—Sec-Treas., and Ann Beckham—Sponsor. Gene Calhoun was the Pep Squad Bean.

## Future Farmers of America

The Blanco Chapter of Future Farmers of America consists of approximately 40 members who have shown an interest in Agriculture by enrolling in at least one of the three agricultural courses offered at Blanco High. The chief project of the Blanco Chapter is helping produce the Blanco County 4-H and FFA Livestock show. Entries from the Blanco FFA chapter produce a large amount of competition.

Each fall, the FFA chapter gives a large award banquet, honoring outstanding members and adults who have contributed to the chapter's success. This spring the Blanco Chapter will serve as the host for the Hill District Banquet. Ricky Bates, member of the Blanco Chapter, is Hill District President. Other FFA Activities consist of functions with the sister chapter, the FHA.

FFA stresses the importance of leadership, public speaking, and citizenship and patriotism.

## Future Homemakers of America— "Toward New Horizons"

The Future Homemakers of America is an organization of Junior High and Senior High school students who have had one semester of Homemaking. The Blanco Chapter consists of 55 high school girls.

FHA activities consist of a program patterned on the program of work set up by the National and State Organizations which focuses on involvement in school, community and church activities, and a wholesome family life. The Blanco Chapter is a very active organization which has a program for the education of its members and a project for involvement each month.

One of the new projects initiated this year is the "Secret Granny Program." Each member chooses a lady that they admire in the community. They correspond secretly with her through the chapter president. At a covered dish supper in April the girls reveal themselves to their secret grannies.

Another program is "Companions to the Elderly." This consists of helping out the rest homes here in town with entertainment.

Karen Scharnhorst, our chapter president, is also an area Officer—Third Vice-President—the projects chairman. She

## 1969-70 Valedictorian

*Holly Smith*

Holly has been a resident of Blanco all her life and has attended the Blanco Schools for twelve years.

Sports are a definite part of Holly's life. She has played basketball for four years, receiving an all-district selection each year. Tennis having been organized her junior year, she has participated for two years. She was elected Most Athletic Senior Girl by her classmates.

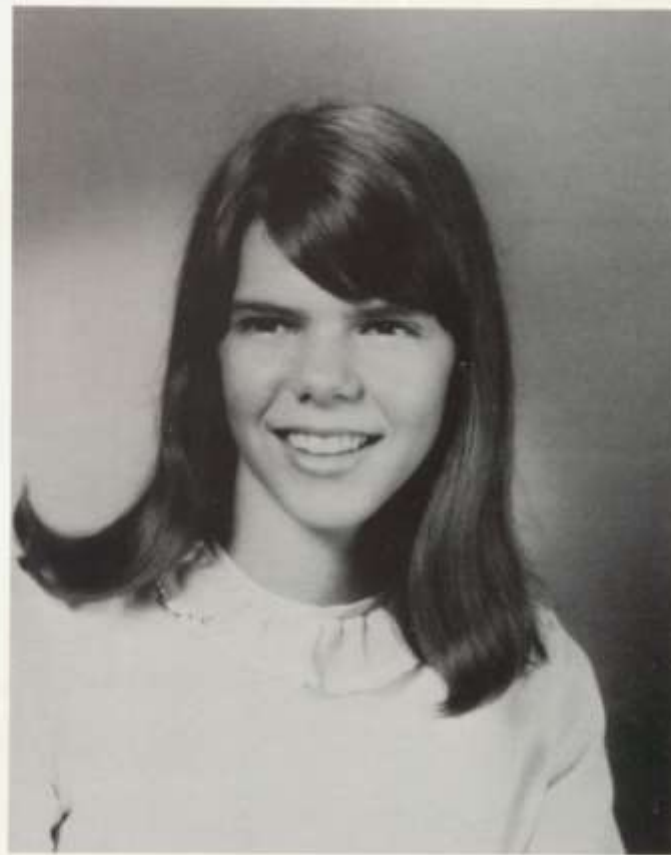

Band and piano playing involve Holly in the realm of music. In the band, she has played the B<sup>b</sup> clarinet, contra bass clarinet, and the snare drum. She has made the all-district band two years, and the all-region band one year.

Other organizations Holly has been active in are the FHA, Annual Staff, and Pep Squad. She has been in FHA for four years and has served as historian, secretary, treasurer, and a member of the chorus. For three years, she has been on the annual staff, having been sports editor two years, and personalities editor one year. Holly has been a cheerleader for two years. She was head cheerleader her Senior year and Football Sw.

Holly's father, Mr. F. C. Smith, is the history teacher at Blanco High School. Mrs. Janie Smith, her mother, is a homemaker. Holly is the fourth of the Smiths' five children. She has three brothers—Stephen, Severne, and Nelson—and one sister, Mrs. Judy Mathis. Holly and her family attend the Blanco Church of Christ.

Upon graduation, Holly plans to enter Southwest Texas State University. She intends to major in the field of education.

## 1969-70 Salutatorian

*Nancy Williams*

Nancy moved from South San Antonio School District to Blanco at the end of her sophomore year there. She was an active member in the band, Spanish Club, and FHA her junior and senior years. She served as an officer in the Spanish Club and FHA her senior year. In her junior year, she was selected as duchess for the PTA coronation and also took a part in her class play. During her senior year, she was selected Most Likely To Succeed by her classmates.

Music is a very important part of Nancy's life. Besides participating in the band, she made all-region choir her junior year. She joined the Baptist Church youth and adult choir and was selected as Assistant Organist for the church. A quintet that was formed during her junior year became a part of Nancy's musical life. As 4th Vice-President of FHA, she led group singing and was the director of the FHA chorus. Playing the piano and the guitar are among her favorite hobbies.

Nancy's father, Mr. Cecil W. Williams, is Superintendent of the Johnson City Independent School District, and her mother, Mrs. Mary Lou Williams, is a former school teacher. Nancy has two older brothers—Warren, who is employed by IBM in Houston and Bobby, who is presently in the Navy.

She plans to enter Southwest Texas State University in the summer of 1970. Nancy hopes to become an elementary school teacher upon graduation from college.

## *Junior-Senior Banquet and Prom*

The Juniors took pride in making decorations for the Seniors "Night In The Old South" on April 18, 1970.

The Freshmen (Tom Wesaks, Nelson Smith, Darryl Triesch, Jan West, Jan Gourley, and Blye Engel) and the Sophomores (Jim Warrick, Dale Burks, Tom Murrah, Connie Waxler, Susie Fuchs, and Clara Zercher) served a very tasty meal.

Dr. V. Spiva, of Fredericksburg, made an encouraging speech on being good Americans. The Wills were read by Roger Evans, and the Prophecies by Siegfried Mann.

The Chessmates, of San Antonio, provided the music.

## The Cannibal Queen

## Senior Day

On May 1, twenty-two smiling seniors loaded on Mr. Smitherman's bus and headed for San Antonio (after a short detour). We were accompanied by Mr. Smitherman, our class sponsor, and Mr. Edge, our principal, on Senior Day.

We spent our first few hours at Natural Bridge Caverns. We found it very interesting. Then we headed for Brackenridge Park. After eating in the park, we toured the zoo.

The afternoon was spent bowling. We had some very good bowlers, and then there was Cyndy, Nancy, and Karen S.

After lunch at the Mexiteria, we rode the go-carts, played miniature golf, and batted at the Batter-up.

All-in-all, it was a very enjoyable day, even if we did have a small knock down, drag out.

## Senior Trip

On Wednesday morning, May 27, ten seniors and two chaperones set out for Corpus Christi. The Chaperones were Mrs. Chester Weber and Mrs. Arvin Weber.

They stayed in the Outrigger Motor Inn in Port Arthur. Wed. and Thurs. were spent on the beach swimming, surfing, and fishing. Thurs. evening they all drove to Aransas Pass for dinner. Friday morning they all started home after a fun-filled and exciting SENIOR TRIP.

## *Class Awards for Scholastic Achievements*

Four students from each grade in high school with the highest yearly average are recognized as the students with the greatest scholastic average. The annual staff offer these students congratulations for a job well done. We know their fine efforts will continue in the coming years.

The eighth grade students who had the highest averages for this year were Bonnie Bendele, Karen Edge, Mary Pahlmeyer, and Nancy Murrah. We are proud of these students, and anticipate a continuance of their succession in their future high school years.

## Homecoming 1969

The Homecoming game this year was played on Halloween night. From the looks of the town, the game attracted most of the usual "apooks", along with many students, exes, and town people. The crowd seemed to be filled with extra spirit for this game. The team tried very hard, and were rewarded by a win over Sabinal of 45-20, and later by the District 30-A championship!

The activities, after school on Friday, included the parade through town, cheers, speeches, and the hard earned, very large bonfire!

The evening was topped off by Miss Holly Smith—Senior Cheerleader—being named Homecoming Queen, Gene Calhoun—All District and All Cen-Tex back—being named Pep Squad Beau. Also, the evening was further enlivened by a great performance by the band. George Covin and Cyndy Granberg were named Mr. and Miss Panther Band.

Afterwards, the Football team was given a party by the Pep Squad.
