Staff portrays new phase of education for Blanco Schools

Yearbook and Chat staff members try to upgrade the publications they produce. Senior Blanca Calzadafont and Junior Lucy Castillo always look at the Chat after it is completed to find how to improve. For the yearbook, they keep up with the sports trying to get the scores and honors from the coaches.

Blanco Schools enter a new phase of their life in education—we now have three separate, distinct schools that stand independent of each other, yet all lead toward the total education of the student as a member of American society.

In November, when the high school moved to the new location on the west side of town on Rocky Road, middle school really found identity with a building of its own. At the beginning of the year, middle school finally got a principal for its individual needs, and the elementary principal could focus more upon elementary individual needs.

In this book, the yearbook staff's theme revolves around BISD seeing education, friendship, and leadership **from a different angle**, not completely different, but not exactly the same. Our schools have always been closely knit together on the same campus. Now they must exist independently to make a part of the whole—a new exciting era of time and education that forges toward the future, yet never forgets the past.

The staff hopes to portray this year of years with the achievements of the most priceless possessions of BISD, its students!

Right: Tom Smith (left), Freshman, Homecoming, Track, and Jennifer Munoz (Homecoming, Seniors, Sophomores) use the computer to synopse information about the activities of the school for the newspaper (Panther Chat) and yearbook (Panther).

Identification of students—major job of staff members

Left: Junior Stacy Friesenbahn (hard NHS Drill Team) with Junior Fabiana Elinstein (staff, student council) and Junior Carla Hill (PBA, MS & Elementary UIL), work hard to identify different students for the '93 Panther.

Senior Blayana Bhatia (faculty, FFA, PBA,) and Senior Libby Neill (cheerleader, FHSIL) and advisor Bill Spargo are working hard to get the facts straight for the 1993 yearbook.

Staff "switches gears"

In their first year in journalism, as members of the staff, Shari Fuchs (senior, elementary) and Gabriela Fiedler (sophomore, elementary) have to pace themselves to keep up with the "action." They must constantly "switch gears" from yearbook to monthly Chat dates.

Our school board has developed an even better atmosphere for BISD students to learn. It took five bond elections, but they finally saw their goal achieved at Open House on Sunday, January 17, at the new high school. The public could see the efforts of these men purpose to educate students for the upcoming years. The school has changed from pencils and paper to computers and paper. The school board is keeping abreast of these changes by providing facilities, equipment, personnel, and support from a different angle so students can become competent members of the global society in which they now exist.

Board makes "it" all happen for students of BISD

Meetings are not always held in the cafeteria. Only after the board accepts the new building, students and staff moved in November.

1982-93 School Board members are Vice President Kent Weber (far left), President Jim Klepac, Secretary Steve Friesenbuhl, Duight Knutting, Matt Hayden, Jim Pizzer, and Dr. David Behrens, DVM.

Making decisions that affect the education of BISD students makes a school board member step and wonder why he decided to run for the position. Decisions have to be made that will help the largest number of people, but not just the smaller number.

For the last two years, the board has been concerned with getting more room for the high school so middle and elementary school could expand. They have not only had the regular 2nd Monday night meetings, but special called meetings to make decisions for the new school.

Right: At the May meeting, new board members Dennis Moore (left) and Louis Koch were sworn in by Tax Assessor Jeanette Leese. They took the places of Klepac and Friesenbuhl when they decided not to run again.

Goal is to educate students for their upcoming years

Left: High school principal Lynn Boyd (left) and school board Vice President Kent Weber with his mother Ingrid, knew all the work that went into making the new Blanco High facility on Rocky Road a school that would educate students for the upcoming years. The open house for the public on January 17 had those attending saying "This is a credit to our community!"

As the "go between" for the board and the actual operations of BISD, Superintendent Mike Adkins must be abreast of all programs operating that will educate the youth of the community. He has served for five years as superintendent and three years previously as high school principal.

Superintendent Adkins presented a plaque to outgoing board president Jim Klepac for his eight years of service for the voters and students of BISD. Mr. Klepac said that the community is now proud of the facilities and challenged the new board to keep up the good decisions they made in the past to keep quality education in Blanco.

Jeanette Leese has had her hands full keeping the accounts of the school including the collection of school taxes for the board. Her assistance as the superintendent has been an asset in keeping the school running efficiently.

As payroll clerk, Kim Thompson has to keep up with the 100 employees of the district. She assists in all the accounting transactions and many of the clerical duties of the "big office on the hill."

In High School Principal Lynn Boyd's four years, he has seen more change in BHS than other principals have seen in all their years. Under his supervision, his staff has helped the students move from a 10-year location to the present site. With his guidance, everyone is adjusting and finding that a new school can become "home" rather quickly when your "family" is there to help you adapt—**from a different angle** but with the same "love" for each other.

As secretary for Mr. Boyd for two years, Carol Spurgin is the telephone and c. o. m. p. a. n. y. "jockey." These two devices keep her **xxx** busy keeping up with the staff and over 200 students.

At the annual faculty picnic on May 27, the following received service awards from Superintendent Mike Adkins (right) and School Board Members Dennis Moore, Matt Hendon and Louise Koch: Anna Winkler (left) (25 year service pin), Mark Mahone (5), Ray Biss (3), Darless Head (3), Gwen Terry (3), John Moore (3), Debby Caudell (10), Jeanne Lewis (3), Hazel Kuehn (10), Brian Emerson (3), Perry Palmer (5), Carol Spurgin (3), and Willie O'Leary (7).

Winkler High School Principal Gordon Franzen presented the GMA cup to Principal Lynn Boyd for district 23AA for the fall semester grades with National Honor Society President Billy Uphouse and Student Council President Matt Murrain. The contest is between all 6 schools in the district—Blanco, Comfort, Junction, Johnson City, Muen, and Winkler. Grade Point Average is figured by adding all the grades made by students and dividing by the number of students. The spring semester results will be announced in the summer.

May brings a round of activities for the 1993 BHS Seniors

On Saturday, May 15, 22 of the 43 seniors flew to 6 Flags Over Texas in Arlington.

From the February BBQ chicken dinner, many of them had raised funds for the trip. Each ticket sold and each hour worked the day of the Junction earned a senior over \$2 toward this goal in the Dallas/Ft. Worth area. With attraction, some seniors earned more than the \$107 required for the trip; others had to come up with the additional funds.

For some, this was their first time to fly. The day will go down in their memory book because all of them had a great time being together on the 50 minute flight each way and riding the "GIANT" roller coaster. Most attractions are even better when you have your "Bonds" there to enjoy the excitement and "rook."

Class Motto

Do not follow where the path may lead; go instead where there is no path and leave a trail.

Left: Everyone got excited about the Junior/Senior Prom on Friday, May 7 at Northern Hills Country Club in San Antonio.

Girls got that special dress and accessories; guys got fitted for tuxes and ordered flowers.

Juniors were especially enthusiastic because this was their 1st prom (for most of them). The seniors see the end in sight. These seniors were super exhilarated last year, but in their maturity, they see a different significance in the challenging times approaching.

For 13 years, our 93 seniors have been working toward graduation. Prom started a round of activities that will be experienced only once in a lifetime—a special part of a teenager's life.

Below: The Drug Free Party honored the seniors and showed them that they are special, and that they can have a good time without chemical abuse.

Donating money for the Drug Free party were County Attorney Dean Myrnes, Mothers Against Drunk Driving (MADD), Blanco National Bank, Granberg Fertilizer, Dr. John Weaver, Texas Tire Rocks, Dr. Doug Fritz, Strickland Drugs, Dr. David Behrendt, Continental National Bank, RV & Mobile Home Supply, J.F. John Wood, Sixteen Aunt Petie, and senior parents David & Debbie Gray, Harry & Elizabeth Waller, and Sid & Katherine Wolf.

Donating gift certificates or gifts were Royce Dell, Gaudin Goldsmiths, Cary & Curtis, Marcella Murray, Marie Santos, Bianca Florin & Cole, Finding Place, Gordona-Evans, Reter Days, North Star Video, and Treasures & Treasures. Many of the senior parents also sent food.

The party started after 4:00 pm on Sunday with games such as egg toss, water balloon toss, three-legged races, and volleyball. The winners earned play money (Happy Bucks) that could be used toward the purchase of prizes. After eating, Casino Night started. Each senior was given 10 Happy Bucks that could either buy gifts or gamble for larger prizes. If they ran out of money, they could get \$5 more as many times as they wanted.

Over \$500 in gifts were purchased from Best Buy in San Antonio at a 10% discount. Gifts ranged from a color TV, CD & tape players, and tapes and CDs.

30 of the 35 seniors received a gift, which was really a gift from the community to them.

Senior "heads" lead seniors at a different angle

The officers and sponsors helped make decisions that gave their fellow classmates a chance to make money for their senior trip to Six Flags on May 15. They ordered only enough chickens to fill the orders and also made it a complete take-out dinner. Proudly posed in front of the new high school are: President Matt Murrain, Vice President Chris Pepper, Sec. Treas. David Gray, Sponsors Shyrie Alentrop, James Cordell, Charles Gestland, and Bill Spurgin. Sponsor Ann Beckham is not pictured.

One of the reasons the BBQ Chicken dinner was a success was the help and guidance of the senior parents who made plans for their son or daughter. They had a few worries about the chicken being done, but when they started serving at 11:00, they were cooked to perfection.

Billy Upton not only is "an avid 'jock,'" but also achieves high marks in academics. He is a member in the National Honor Society and is very active in the Fellowship of Christian Athletes. At the annual Sports Banquet, he was Most Valuable Player in Football, Offense and Boys Track, also getting the Boys Basketball Heart Award and the overall Panther Pride Award.

Class chose Billy and Rosemary

Above: At the FFA/FHA breakfast for the staff, Rosemary Villela worked hard to help prepare the food and then cleanup afterwards.

Left: At the prom, Rosemary was dressed "in blue." Not many dances were played by the disc jockey that didn't find her on the dance floor.

Best All Around

Billy is an all around guy. When the class has an activity, he is there, all "beet and soul."

As valedictorian, Pepper achieves highest position in Class of '93

At the pep rally, Chris helped Collin become a "quick change artist" in front of the student body showing that the '93 Seniors were full of Panther spirit to win the game.

Christopher Browning Pepper, son of Jim and Peggy Pepper, has attended BISD for 10 years. Chris has two younger brothers, Ladd, who is in the 10th grade, and John James in day care.

Chris moved to Blanco in the 3rd grade and became a member of the TAG+ program. Chris continued his academic success through junior high and then on to high school. As a sophomore, he was inducted into the National Honor Society. That same year, Chris was selected to represent BISD at the High OBrian Youth Foundation.

Chris has also participated in UIL for 4 years. Competing in reading, writing, science, and calculator applications, he qualified for the regional level both his junior and senior year.

In addition to competing academically, Chris also has participated in sports. He played football and basketball for four years and tennis and baseball one year. His senior year, he received all district honors in football.

His class voted him Most Likely to Succeed. Chris has been a member of the student council and class vice president his junior and senior year.

Chris plans to attend Texas A&M next fall, and then move on to medical school.

Collin and Chris won the election by their fellow classmates as MOST LIKELY TO SUCCEED. Both of them impress their peers as people who will make the most of their talents in "the real world."

David, son of David and Debbie Gray, has attended Blanco ISD for 13 years. He has one older brother Billy (Valedictorian of 1991) and one younger brother Monte.

David has been an active member in sports, UIL, Tag+, and National Honor Society. His UIL accomplishments include Science, Science team, Calculator team, and mathematics; he attended regionals his senior year in both math and calculator.

He has been in the Top 4 in his class for all 4 years of high school. He has also won top average awards for the following courses: trigonometry, elementary analysis, economics, physics, Algebra II, world geography, Spanish I and a citizenship award his junior year.

David has also been a competitor in football and track for all 4 years of high school. His football achievements are numerous, including honorable mention offense and defense for his sophomore and junior years and 1st team all district offense and defense his senior year. He has also been named to the All District Academic team for the past 4 years.

David plans to attend Texas A & M University in the fall and major in marine biology.

At the Drug Free party in May, David was a big winner. He participated in all the games before Casino started and won a substantial amount at the "tables." He won the most expensive prize—a remote control, color TV for his room in college.

Gray earns salutatory award for 1993

David may be the "toughest" guy in the senior class, but that does not mean that he cannot bend all that bone and muscle. During the limbo contest at the party, everyone thought his body had a piece of elastic in it!

Right: At the pep rally, Chris was presented a certificate from the coaches which considers him an outstanding player during the previous week's game. Chris gives 100% on the field all the time, whether football or track.

Below: Christina showed that girls can "be all they can be" when the Texas Army National Guard flew in the the Cobra helicopter for BHS students to explore in November.

Above: Blanca was belted-up and ready for take-off on May 15 when the seniors flew to 6-Flags. This was her first flight, but "Whittie" was ready to fly "above the birds."

Seniors worked with parents to raise money for trip

Right: At the senior take-out BBQ dinner on Valentine's Day, Bhavana and the parents made sure that all the orders were filled and ready to eat for each individual customer.

Seniors happy that graduation could be held on the football field

Graduation practice on May 27 was looked forward to by all the seniors. They were not sure about the weather, but they hoped with "hearts and soul" that they would not have to graduate from the cafeteria. Most of them had over 10 guests coming and there was only enough seating at the football field.

In March, the economic classes took a day out of the regular routine and visited the Third Legislature in session. Government/Economics teacher Tiffani Walker and the classes were shown around the capitol by Representative Harvey Hilderbrand. The Math Teachers arranged the tour for them.

To advertise the "spook house" fundraiser for the gymnasium, the three "presidential candidates" made a visit to most of the classrooms on Halloween Day. David wasn't "scared," but he did wonder who this "scared" First, Clinton, and Bush were. Some folks say it was "some" local boss officials.

"J & J" (Jennifer and Jason) were chosen by their fellow classmates as MOST FRIENDLY. Both of them will offer a friendly "hello," even in the morning. Jason is a little loud, but his "woman" keeps him under control most of the time!

Left: "Mac Free!" Will will work on a "Din" machine, but this "computer nut" has his preferences. He is as versatile as his hair style.

Left: It is hard to find Ed without a big smile. He is happy most of the time. More people should follow his example.

Edge, Helen Elkins, Ed Ellis, David Ernst, Will

Ezell, Kyle Fortune, Luke Fuchs, Cory Galbraith, Jason

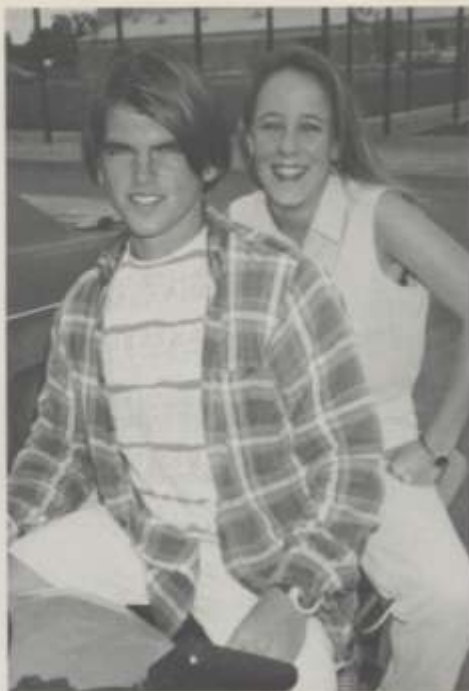

Helen likes to be involved. She played percussion in the band and danced with the drill team. Her weeks during football season were full, but she was never "bored" - she would read by those who do NOTHING.

Senior interests begin to show their individuality

Chris, Jill, Dan, and Estella get coveted favorite positions

Right: Chris and Jill were selected by their classmates as the top "class clown" with the Best Personality. No matter what kind of day they have, you can always find them playing pranks and joking around with everyone.

Below: The sack race was one of the many contests at the Drug Free Party where the seniors won "Happy Bucks" in buy prizes. Chris Jones and the others listened to all the rules and concentrated on winning "big bucks".

Above: In Carol Sammy's Parenting and Child Development class, Cord learned that babies are not anything like mechanics—you can't take them apart or trade them. But he did learn that they, like cars, need to be fed and cleaned on a regular basis.

Right: Dan and Estella were chosen as Most Athletic by the senior class. Both always put forth their greatest effort to help score points for the Panther team.

Most seniors had their eyes on Drug Free prizes

The prizes to be won at the Drug Free party made the seniors want to win at the games and at Casino. "Big" Roland had his eye on some "chicks" CDs and tapes. Will and Cord wanted the TV and "boom boxes" so everyone could hear his favorite music, even though their taste in music is entirely different!

With crossed fingers and the victory sign, the seniors could hardly wait to get that slip of paper that says "get out of here... back and do your thing that you've been wanting to do for many years." In 2001 at their 10-year reunion, they will see who accomplished what they had set as goals!

44 could hardly wait to get that "slip of paper"

Right: At the annual PTO coronation, Jason and Jennifer were crowned King and Queen of the high school classes because they had raised more money than the other classes. Their classmates made a good choice when they chose them to represent the '83 seniors!

Below: Flying is a unique experience for most high school students. Harry, Jill, and Libby liked this "fun" 50 minute ride from San Antonio to Dallas Love Field for their senior trip on May 15.

On the bus to Six Flags from the airport, the 22 seniors that went on the trip could hardly wait to get to the grounds to ride the "Giant". Tammy had been to the amusement park before, but never with as many friends to enjoy the experience.

Zeb thinks that he is strong enough to survive high school and hopes that it will get easier "out in the real world."

Below: Giving blood has become a tradition at BHS for seniors and 17 year old juniors with parental permission. Some students are "scared of the needle," but Mike shows how easy it is to give blood and help save a life.

Right: Enthusiasm is Billy's middle name, he really gets into whatever he attempts. In his studies, he is usually on the honor roll; in sports, he received Most Valuable Player or a Pride Award. For his citizenship, he and Tamara were honored by receiving the Milton B. Lamar Award given by the Blanco Mountain Lodge for their high academic standards, good behavior, and citizenship.

Above: Reading is a big part of Rosemary's life; she enjoys all types of books from Stephen King to Shakespeare. Dancing is one of the few things that will take her away from "the books."

'93 Seniors want to 'make a trail, not follow a path'

Above: Clint, Horacio, and Zell got a good look at the helicopters that the Texas National Guard brought to the new campus. They have seen many movies and T.V. programs about helicopters, but seeing the "real thing" brings everything into perspective.

Right: Even though Jill and Harry were teased about being "Mutt n' Jeff," they make a "fine looking" couple at the prom. Their good attitudes about teasing and life will keep them "on the top shelf."

Senior year-- a memorable time in history for 44 graduates

Information

In October, 19 Honors English and TAG+ students got the chance to step back into time at the Renaissance Festival in Ploverville. Their day was filled with such activities as jousting matches, battles, sword swallowing and juggling, and chariot races. The employees dressed and talked as if they were living in the medieval times. This "living experience" made the students and teachers feel as if they had really turned back the hands of time.

Juniors take fundraising seriously

1992-93 Junior Class Officers are President Christina Reed (not in), Vice President Melissa Waggner, Sec./Treas. Laura Mancha, Sponsors Roger Bragford (top), Mary Nelson, and Janet Scudder. Two Sunny took a step back into time when she traveled to the Renaissance Festival and explored the wicker chamber and wicker area and learned what it was like to live in that time period.

Caitlin Malone and Jesse Mansels were chosen by their fellow classmates to represent the Sophomore class in the PTO Duke and Duchess contest in October.

Mike Preston jumped into the past at the Renaissance Festival where he learned about the time period, saw the kind of adventure that life was, and even made a few new friends.

In foods and nutrition class, Carol Sunny brought in guests to cook special foods so the sophomores and the rest of the class could get a glimpse of how wondrous foods are made and cooked. High School Secretary Carol Spurgin demonstrated how egg rolls were formed and cooked in the oriental wok.

Being a freshman can be stressful and confusing at times, but freshmen are school from a different angle when they get out of middle school. They are not accustomed to all the "freedom" that is full of responsibility in high school. They were a little "up tight" about individual participation in the FFAPHS Christmas Party, but they loved the fun of being in the "joint effort" pyramid concert.

UIL Academics, excellence through competition

ABOVE: Junior Gavin Smith (front), Seniors Cord Johnson (right), and Cory Fuchs with their director James Caudell scored enough points at the STATE UIL MEET in Computer Science to be the 3rd place team bronze medal winners in class AA on May 8. They were the 1st place winners at Districts in March, 1st place winners at Regionals in April. These young men qualify for substantial scholarships toward their future education. To place at the STATE MEET is a honor because over 14,000 students statewide start at the district level and only a few make it to the meet and even less place. Congratulations to these outstanding thinkers!

RIGHT: Junior Tami Smith scored 5th in her News Writing contest with UIL coach Bill Spurgin. Only 12 students compete on the state level in News Writing; only the first 6 places are reported. She also qualifies for a substantial scholarship.

Panthers earn regional position

Scoring in one of the first three places or being a member of the 1st place team at the district meet in Junction earned these BHS students the privilege of going to San Marcos on April 24 to participate in the regional meet.

They are: Senior David Grayson—2nd Calculator & 1st Calculator team, Senior Chris Pepper—1st Calculator & 1st Calculator Team, Senior Cord Caudell—1st Calculator Team, Senior Cord Johnson—1st Computer Science Team, Junior Gavin Smith—1st Computer Science Team, Senior Cory Fuchs—1st Computer Science Team, Sophomore Galadriel Fiedler (standing)—3rd Prose, Senior Tami Smith—2nd Prose, Junior Amber Johnson—Alternate Informative Speaking, Senior Eselle Sanchez—2nd Editorial, Senior Matt Marchant—3rd Persuasive Speaking, Senior Kerry Schaefer—2nd Current Events, Junior Carla Hill—3rd News Writing, and Freshman Courtney Kirby—1st Spelling. Not pictured are Junior Tami Smith—2nd News Writing and Junior Jennifer Lightfoot—alternate Poetry. Points earned from these events, and points earned for 5th and 6th places, put BHS in 2nd place.

Traveling to Wimberley for district competition was the cast and crew of the one-act play "Crosses of the Heart." Rhonda Lockfong gave a wonderful performance as Chick Boyle, while Kyle Eastwood did an excellent job portraying the character Barnum Lloyd. Director Tony Volz (right) devoted much time and effort to make sure this play was a performance of which BHS could be proud.

Bil Sullivan (top L) also gave a terrific performance in his role as Babe Magrath, and Libby Nell, who was also a competitor in editorials and feature writing, received HONORABLE MENTION ALL STAR CAST for her portrayal of the character Meg Magrath. Christina Ford, who also participated in Poetry Interpretation, and Tammy McMillan gave the cast the extra support they needed while being responsible for all stage props and lighting. Tami Smith received ALL STAR CAST for her performance as Lenay Magrath. Anush Bhatia, who also competed in Informative Speaking, also did his part as crew member making sure everything went smoothly on and off stage. Not pictured are crew members Trey Gentry, who also participated in Persuasive speaking and mathematics competition, and Christina Lopez, who competed in number sense, vocabulary, and spelling, whose incredible support and effort were greatly appreciated.

Students placing at regional qualifies for state, giving them the opportunity to earn substantial scholarships. Former BHS students have earned as much as \$12,000 toward college costs.

NHS increases membership

Right: Senior Members: Colin Castellotti, David Gray (left), Billy Ayubaw, Chris Pepper, and Jason Waggoner (right) will have the honor of wearing the gold chords at Graduation for their membership in NHS.

Right: Junior Members: Carla Hillborn, Katie McLaughlin, Rhonda Liock, Gavin Smith (middle), Melissa Waggoner, Jennifer Lightfoot, Stacy Frimshahn, and Jarrod Depewitz. All these students excel in and out of the classroom. Their actions and attitudes enabled them to be inducted last year and keep membership this year.

From among 205 students, only 21 qualify for the most prestigious organization on the BHS campus

Scholarship, Service, Leadership, Character

Left: David Gray and Chris Pepper began the candle lighting ceremony and passed the flame of NHS to the other members. Through this ceremony, they are using others for help and extending their light to others, a quality that each must have to make a better world for all to live.

Far left: Sponsor Rosemary Allen offered her congratulations to the NHS members during the ceremony. Allen explained that members are chosen by their scholarship (90% overall academic average), service, character, and leadership.

Left: Following the induction ceremony this year, NHS members, parents, teachers, and school board were treated to a dinner honoring the students' achievement. Family support of Jennifer Lightfoot (right), and Carla Hill encouraged them to keep the "light" of knowledge glowing to the betterment of society.

Inductees: Junior Amy Giomboni, Sophomore James Wagner, Junior Amber Johnson, Junior Christina De La Rosette, J.J. Sophomore Michael Preston, Senior Daniel Jordan, Sophomore Ladd Pepper, and Sophomore Troy Gentry were inducted May 17 into the National Honor Society. All members must maintain a yearly average of 85.

BHS welcomed 12 students from Germany to their new school. All the German students are stayed with BHS families during their 3-week Easter Break. The exchange students families gave these 12 students a fantastic spring break—a flight across the big pond and an exploration of American culture. These BHS families gave them sight-seeing excursions.

Adjusting to a new type of school schedule was one of the most traumatic changes they experienced. In their respective high schools in the western part of Germany around Cologne, they go to school only from 8 till 1 p.m. each day. They also take 11 courses, which are not taught every day so we do here.

Adjusting to a smaller student body caused another modification. Most of their student bodies number well over 1,000 compared to BHS's 200 student high school.

One noted distinction is that all of BHS's guests are academically geared. At the end of the 4th grade, their parents and the school decide whether to send them to academic or vocational schools based on grades and performance.

In Germany, a citizen cannot drive an automobile until the age of 18. The average age of these students is 16, no one is 18.

One student turned friend out about the visiting student program because of 5th grade teacher Norma Oren's sister, who teaches in Olney. The Olney school has had the program for quite a few years.

These students plan on taking back quite a few pairs of "jeans" with them because in Germany jeans average about \$90 a pair. They are surprised at our prices for flowers, because their area is near Holland, flowers cost half compared to ours.

As a show of friendship from BHS, the council gave the opposing school a gift of football games. Our council gave native species so that the schools could plant a permanent, living remembrance of BHS.

From part of the profits made from the snack machine, the council bought a Christmas tree and decorations for the lunchroom to give students some "spice" during school hours.

Right: As part of their community and environment services, FFA and FHA members took time out to clean up their two-mile section of the highway to San Marcos.

Far right: Leadership was learned by President Collin Casdell at the state leadership workshop in Trinidad, Texas last July. To demonstrate the purpose of her presentation on team building, she created a ski with sun glasses and jump rope showing how members can work together to accomplish goals. Collin's involvement in regional, state, and national activities in her high school years earned her the C. I. Davidson Foundation scholarship for \$6,000 and \$300 from the Alumni and Associates state organization. At the San Antonio Stock Show and Rodeo, she was named an Outstanding South Texas rural youth.

Freshman Katy Knoll was elected Region V Vice President of Star Events for the 1993-94 year as the region convenes in Corpus Christi in January. She will go to Anaheim, California this summer with Advisor Carol Satterly as a part of the National Convention. She will also attend a leadership training workshop in Austin.

FHA wants to be involved with the community performing whatever service possible. One of the ways they met this goal was to help the Cancer Society of Blanco County with the Green American Bookstore in November and the nutrition posters in March. Society members Jewel Saltzman (left), Cira Beckmann, Louise Kirch, and Pearl Brown supplied the poster about eating smart and sun tanning to Rosemary and Jill for display around the school.

James and Delby Casdell received State Honorary Membership from the Texas Association of Future Homemakers of America. The award was presented in Houston on April 17 at the FFA state convention. They were recognized for their leadership and dedication to FFA members.

FHA develops leadership "skills for life"

Three teams of FFA members competed at Region V Star Events in Corpus Christi in January. All of these teams placed in the top 6 enabling them to compete at the state level in Houston. Senior Rhayana Bhaktarleft, Junior Carla Hill, and Senior Horacio Villegas won 3rd in state in the Design a Business contest for the FFA organization after coming back from regional and redesigning their business from a different angle. Their business was *Outlets of the World*, an international restaurant created especially for Blanco.

The All Star Chapter display with explanations of chapter activities included Junior Jennifer Moore (left), Sophomore Letitia Greenhaw, and Junior Rhonda Leck. They placed 1st at region. At the state meeting, they were only 2 points off from placing. The team really appreciated the efforts of the builders as the organization who took their instructions and built them into a winning "optimal point" display.

FFA Leadership for a growing planet

Below: Senior Bharvata Bhakta with Student Teacher Robert Schmitt (left), Advisor Steve Casson, and Advisor Jason Marek placed 3rd in Public Speaking at the district banquet in Mason. Getting up in front of a crowd and expressing ideas is a life skill that FFA members try to accomplish by participating in the organization.

Being able to judge land and livestock that will produce profitable offspring makes a successful land manager. FFA members judge all types of livestock from dairy to poultry in contests around the state. Junior Brian Seylarth (left), Senior Bharvata Bhakta, Freshman Sarah West, Junior Clay Pope (right), Sophomore Lisa Weirick, Senior Clint West, Senior Jason Galbreath, and Junior Jarral Depeo traveled many miles judging so they can make good decisions when they become a part of the buying public. They are beginning to see buying from a different angle. The team got first at Abilene Christian University in beef cattle.

Left: FFA Advisor Jason Marek had the pleasure of meeting ex-Dallas Cowboy Tony Hill who was the inspirational speaker at the State Fair in Dallas. FFA/FFA students from across the Lone Star State got to enjoy a day in "Big D."

Below: Juniors Clay Pope (left) and Cliff Richardson caught the most "poundage" to win the first annual fishing tournament. They fished from 6:00 am to 9:00 pm. Team members Jeremy White and Marcus Pope are not pictured.

Above right: Banquets are held at the end of the year and tell parents, teachers, and students the accomplishments of an organization. After the BBQ Dinner, Chris Dowdy (left) and Zeb Morgan, across from Roland Gallegos and Libby Nell, were ready to "get on" with the program.

Right: The 2002-03 FFA Officers started the annual Awards Banquet with the opening ceremony. Reporter Krista Morgan (left), Advisor Jason Galbreath, Secretary Jerilyn Greenham, President Clint West, Vice-President Bharvata Bhakta, Treasurer Lisa Weirick, and Sentinel Zane Morgan know that their responsibilities as officers require them to lead the chapter in the right direction.

Left: Proper landscaping increases the value and beauty of any section of property. At our new high school, landscaping can be challenging because after digging only 6 inches, one comes the pick to chisel through solid rock. Seniors Kenny Schmitt, Jason Galbreath, and Zeb Morgan will testify that our school is built on a solid foundation. With funds raised from businesses, individuals, and memorials, BHS is increasing in value as property and becoming "home" to the students and the community.

The Fighting Panther Band

Team wins Bi-district title against Thorndale

Panthers make football season a winner

At the pep rally when the seniors were given the opponent's jersey in year apart, they participated "spontaneously." The senior year in football is very special because it is usually the last time the seniors will ever wear a football uniform and, compete on the field. Their leadership and desire to win is very intense and important for the team.

Drill Team Co-Captains *Tammy McMillan/Dotzli* and *Sherry Friesenhuber*, and Head Cheerleader *Rhonda Lock* gave Co-Captain *Daniel Jenkins* a plaque honoring him and the audience that he was their FOOTBALL BEAU. Daniel's super personality and expert playing ability made him a "natural" for the honor. Senior Drill Team Member *Jennifer Moore* was honored by the football captains *Daniel* and *Jason Gallbreath* as their FOOTBALL SWEETHEART. Her warm personality and "oh" spirit made the team give her the most votes for the position.

Jenkins and Moore nab Football Beau and Sweetheart titles

For 9 years Libby Nell has been an active student of BHS. In high school, she has been a cheerleader, drill team member, FFA/FHA member and on the yearbook/paper staff for two years. FFA was proud to nominate her as their candidate for homecoming queen.

During her 13 years at BHS, Helen Edge has demonstrated her talents in basketball, band, student council, and drill team. As a member of the Panther band, she was an excellent choice as their nominee.

Timothy Smith was chosen by the football team because her superb performance at half-time help generate spirit and enthusiasm. She has also been involved in band, sax-assembly, UIL, and yearbook/paper staff during her 11 years at BHS.

The Student Council proudly nominated Tammy McMillan for the contest because of her dedication and dependability. During the 8 years that she has lived in Blanco, Tammy has proved her talents in tennis, student council, and as a sergeant and co-captain of the drill team.

At October 2 game against St. Anthony, Sullivan captures title in Homecoming Festivities

Left: Jill Sullivan may see life from a different angle because of her short stature, but she is tall when it comes to getting votes and winning the title of **HOMECOMING QUEEN**. During her two years at BHS, she has involved herself in FFA, tennis, volleyball, drill team, and "read a class favorite-Best Personality." Jill was selected by the cheerleaders to represent their organization.

As president of FFA, Gillin Coudell represented the organization for the Homecoming festivities. She has accomplished many goals during her 13 years at BHS, including cheerleading, tennis, UIL, NHS, "Most Likely to Succeed." Her highest honor was becoming a regional and state FFA officer.

During her first year as a member, Jennifer Moore gladly accepted the drill team nomination for Homecoming Queen. During her 2 years at BHS, she has been involved in FFA, FHA, UIL, the yearbook/paper staff, drill team, and was chosen as "Most Friendly." She also represents the team as Miss Blanco of 1992-93.

Cheerleaders add spirit from a different angle

Keep Spirit Alive!

Right: Janice Wagner scores two points for the Panthers in one of the many stunts performed at the pep rallies. Keeping the pep rallies interesting as well as exciting is just one of the many pressures that come with the role of BHS cheerleader.

Above: Juniors Macy Gullbrath, a veteran cheerleader of three years, definitely knows how to keep the weekly pep rallies full of pride and excitement. Smiling as always, she does her part to inspire the team and audience to keep the Panther spirit high for the upcoming game.

Each summer the BHS cheerleading squad attends camp to learn more cheers and new techniques and to improve skills. This summer, the squad attended the camp offered at UTSA. They invited their instructors to come and see a pep rally, where the girls really showed how well their work paid off.

Keep Spirit Alive!

As season progresses, abilities develop

Because good sportsmanship is an important part of athletics, Coach Tiffany Walker congratulates the other team for playing a good game.

1992 Varsity: Janice Wapner (1), Macy Gullbrath, Nissa Galt (2), Grace Ross, Shari Finch, Tara Jimmy, Jill Sullivan, Laura Mancha (1), Natalie Boyd (4), Coach Tiffany Walker, and Cara Bradford.

Right: Sophomore Tara Jimmy gives all she has to see that her team wins. To score a point, she sacrifices her knees and scoops the ball.

1995-96 Drill Team: Lt. Lieutenant Jennifer Lightfoot (Lt.), Co-Captain Stacy Friesenhuber, Co-Captain Tammy McMillan; 2nd Lieutenant Silvia Gale, Sergeant Jill Sullivan, Grace Kim (2nd row), Libby Nell, April McMillan, Amy Gausley, Buffy Pridel, Laura Mancho, Joann Martin, Lory Gonzalez, Christie Terrell (3rd row), Carrie Bradford, Jennifer Martin, Christina Lopez, Sponsor Sheryl Allen, Nadia Bond, Christina Brown, Melissa Wiggmore, Jennifer Moore, Kay Koellinger, Faith Norris, Tara Thompson, Rachael Chippey, Shari Finch, Ruth Rodane, and Erica Oviato.

Far Right: The Drill Team had to make extra time out of their busy schedules to adjust to the new gym. This year it took more effort and hard work from all the girls because membership increased to the largest group in the history of this organization. Their attitude and enthusiasm were expressed through their dancing all during the season.

Right: Watch our Broadway, here comes Mrs. Sheryl Allen! She spent Thanksgiving night in New York dancing on a cruise liner with her drill team officers.

Helen Edge's 3 year experience helped support Rookie Jennifer Martin in performing the dance routines at the pep rallies. Their drill team memories will be highlights when they look back on their high school years. Jennifer Moore and Libby Nell shared their 1st year of drill team as seniors. Their words and high kicks contributed to the groups excellence.

Because of the many awards the officers received at camp, they were once again invited to participate in the Macy's Thanksgiving Day Parade in New York City. The trip became even more memorable when Stacy Friesenhuber, Silvia Gale, Tammy McMillan, and Jill Sullivan along with Sponsor Sheryl Allen attended the big show *Cats*.

Sheryl Allen presented senior Jill Sullivan the 1995 Miss Pompanoette plaque for her dedication to the Drill Team throughout the years. Jill was chosen for this honor by her fellow line members.

The Pompanoette officers were Sweepstakes for the 6th consecutive year at drill team camp held at Middlebury University in July. The officers were also awarded an Excellent Rating plaque for their home rooms. An Award of Excellence was also given to these ladies for a Team Dance performance judged on precision. The Shining Star Award was presented to the officers every day of camp. Dynamic Dance Performance Honors were given to Tammy McMillan and Silvia Gale.

Always dancin' to every angle

As season progresses, abilities develop

Because good sportsmanship is an important part of athletics, Coach Tiffani Walker congratulates the other team for playing a good game.

1992 Varsity: *Janee Wagnere(1), Macy Galbraith, Silvia Gale(2nd), Grace Ross, Shari Finch, Tara Summy, Jill Silliman, Lorea Mancha(1st), Natalie Boyd(4th), Coach Tiffani Walker, and Curt Bradford.*

Below: ALL DISTRICT—Tara Summy (1st 1/2—1st Team Setter, Silvia Gale—2nd Team Setter, Macy Galbraith—2nd Team Hitter, Lorea Mancha—3rd, Honorable Mention, Natalie Boyd—Honorable Mention.

Far Left: Silvia Gale is a "natural" to receive those low balls because she is only about 4 feet away from the floor.

Left: Natalie Boyd practices her techniques diligently so she can reach perfection during the game and bring home a victory in BH.

Far Left: Prior to the game, all team members are positively thinking about their abilities so they can have that "winning feeling."

Left: Macy Galbraith concentrates on keeping her eye on the ball and her hands up while staying in bounds.

Junior Varsity: Coach Larry Pansuchouli, April Gourley, Sandra Sanchez, Laurie Landby, Veronica Sanchez, Nautie Bond, Lisa Weirich, Sarah West, and Kimberley Nelson.

When a shot is made, time stops for a second. Everyone wonders, is it going through the hoop? Christina hopes her shot will bring two points on the Panther scoreboard!

This team is a little drifting, lots of strategy planning, lots of cutting down, lots of learning in a short time—give coaches and players a time to talk to each other about how to make the game go their way.

Right: Coach Stevenson knows that the breaks do not always come BHS's way, but loves the game and accepts the consequences.

Varsity: Alisa Galbreth, Coach Chris Stevenson, Curissa Malone, Rhonda Deckenmuller, Tara Summy, Amber Johnson, Jennifer Cain, Christina Villegas, Maria Guerrero, and Jenny Graham. Not Present: Estella Sanchez.

Right: Receiving Honorable Mention for their performance on the court are Sophomore Tara Summy (left), Junior Jennifer Cain (top), and Junior Alisa Galbreth.

Middle school finally gets their own "space"

Middle School Principal Tommy Bibb took on a tremendous job when he started the year. He was crammed in one end of the elementary building and did not get uncrammed until late fall when the high school moved to their new location and middle school occupied the old high school. With his supervision, his staff has given middle school students a perspective from a different angle. They can now fulfill themselves in an environment of their own in a place they can really call home.

Found "home sweet home"

Right: The first day of interview before school started on August 17 is one of the only times that the entire faculty is together—elementary, middle, and high school. Gail Mertz and Russell Kirksey knew they had a challenge, but knew that after high school moved that they would have "their own lot."

Left: It didn't take middle school but a few days to get accustomed to their new building. The 8th grade took over the "Senior Steps," the 7th grade has established their territory on the front steps, and the 6th grade knows what is happening on the north end of their "world!"

With computers and CD Rom, they are becoming "information-wise" for the new challenges they will face in future jobs.

Teachers learning to adapt teaching styles with technology

Right: In February, 10 teachers attended a workshop entitled the "One Computer Classroom." Lela Corley (left), Marilyn Bowman, and Linda Miller want to give students the maximum benefit from computers that are changing teachers and how they instruct.

Below: Elementary students and staff now have room to live. Their building is occupied only by them. Middle school is not at one end; high school does not use their cafeteria. Principal Dr. Joe Summy shared for many years, but he can now concentrate purely upon early childhood through 5th grade. The second a child walks through the elementary doors, he receives unconditional love. All students know they get focused attention, not from a different angle, but directly from the entire elementary staff.

With over 20 years of service for BPSD, Shirley Weirich has been necessary to Dr. Summy for the last 4 years. She is usually the "buffer" before others talk to her "boss."

and
Hold On
For the ride of "Life"
Love,
Dad, Mom, & Amber

Collin Caswell,
We are so proud of your Strive to reach your goals and hold on to your dreams. With your determination and hard work, all is possible. You're the best and we love you. With all our love, Mom, Dad, and Candice

Jason Wagnafehr,
There are two lasting legacies we can give our children—roots and wings. You are truly our pride and joy and we are so excited to see what you will become. We will love you and support you always! We love you, Mom and Dad

Harry Waller,
Congratulations on this most important Day! We are all excited about the years to come. The past has gone so quickly. Cheers to you! May all your dreams come true! Love always, Mom, Dad, Garrett, & Nick

Tammy McMillan,
Our "little girl" is grown now, but you will always be our "little girl! You are a strong, independent person with a mind of your own. You've grown up with good morals and a good head on your shoulders. We are very proud of you. You were God's precious present to us, and we will always thank Him for you. Love, Mom & Dad

Boracis A. Villegas,
You are very special to us, No words can tell you how proud we are of you. We hope that with the help of our Lord you will accomplish everything you put your mind to! We love you,
Dad, Mom, Christina, Monica, & Albert

Stephen Kyle Ezell,
"Being confident of this very thing, that He which hath begun a good work in you will perform it until the day of Jesus Christ." Phil. 1:6
Kyle, we are so proud of you. This is just the beginning!
Love,
Mom, Mitch, & Ryan

MATT MURRAIN (The little Aussie Battler)
From the very beginning you have been special to so many people! We couldn't ask for a more kind and loving son and brother. You have set your own goals and carefully seen them through. God will guide you eternally; success is yours for the ASKING.
WE LOVE YOU,
Mom, Dad & Wes

Bhavina,
We have seen you grow into a fine young adult who accepts challenges and accepts nothing at face value. You have even dared to challenge, and we have loved every minute of it. We are proud of you and for you. Good luck in the future in whatever you choose to do because we know that you can accomplish it.
Love,
Mom, Dad, Aashish, & Dharmesh
